ABOUT THE VENUE

This state-of-the-art, multi-functional venue with a rare combination of technology merged with world-class facilities and safety standards is suitable for hosting international business-to-business exhibitions, conferences, congresses, product launches, promotional events and most predominantly act as a centralised contact point for overseas buyers and the cottage based manufacturer exporters for conducting business.

India Expo Centre & Mart is spread over 58 acres of land and has a unique combination trade marts with exhibition & convention facilities, lawn, business centre, restaurants, transportation facilities and sufficient parking space inside the complex. It is well linked to the main ring road of Delhi through 8 lane expressway.

ABOUT INDIA FLEXOGRAPHY EXPO 2019

Co-Located Show

www.IndiaFlexographyExpo.com

Bringing the world of flexography on one dais

India Flexography Expo is an exemplary platform of bringing together a wide range of solutions ranging from raw materials to machinery. The expo takes pride in being the only one to touch every nerve of flexography and thus carving a niche for itself in the industry. The core aim of India Flexography Expo is to provide both knowledge and opportunity to all the suppliers and end-users of the printing industry to meet, network and widen their understanding and scope of production and business operation using innovation.
